

—War In Korea— Red Strike Hurled Back

Allies Hold Fast;
10 MIGs Are Hit

U. S. EIGHTH ARMY HEADQUARTERS, Korea (Monday)—(AP)—Chinese communist soldiers, supported by about 20 tanks, last night launched the largest attack in months against allied troops. The reds hit west of Yonchon on the western front.

Allied troops held the reds to small gains and by midnight had hurled back all the attacking forces and regained the lost ground, the Eighth army said.

The ground attacks followed a day of blazing jet battles in the northwest in which 92 American jets tangled with 145 Russian-type MIGs.

5 Tanks Damaged

The fifth air force said its planes shot down two red jets, probably destroyed two and damaged six in three separate battles. It reported all American jets safe, but said two planes were shot down elsewhere by communist ground fire. Both pilots were believed lost.

Allied fighter pilots who roared out in support of ground troops fighting the Chinese attackers claimed they damaged five of the communist tanks and one 76-mm. self-propelled gun.

Jacob K. Dietrich, Lincoln Resident 46 Years, Dies

Jacob K. Dietrich, 735 Garfield street, died Sunday night. He was 63.

Dietrich was a retired plant superintendent for the Curtiss Companies, Inc. He worked for the firm 33 years, advancing from foreman in the cabinet department in 1920 and to superintendent in 1928. He retired in 1949 due to ill health.

LUTHERAN STUDENT HOUSE CORNERSTONE LAID—Rev. Alvin Peterson, left, Lutheran pastor for students, looks on as E. G. Ekblad, right, chairman of the executive committee of the Lutheran Student Foundation, taps the cornerstone at the ceremonies at the new Lutheran Student house, 529 North Sixteenth street, Sunday afternoon. (Star Photo.)

Cornerstone Is Laid For New NU Lutheran Student House

The cornerstone for the new Lutheran student house at 529 North Sixteenth street was laid Sunday as Rev. Alvin Peterson, Lutheran pastor for students, said:

"As we lay this stone today we are reminded that the Lutheran church was born at a university. 'Christianity and the university must go hand in hand in training our youth for citizenship and service. Freedom of thought will be possible only as long as there is freedom of religion.'"

J. C. Schiller, Milford, a member of the Lutheran Student foundation board said the event marks real progress in the Lutheran church's acceptance of the task of preparing the nation's youth for service in the world. Rev. Peterson, who presided at the ceremonies was assisted by

the members of the executive committee of Lutheran Student foundation board. They are:

E. G. Ekblad, chairman. Dr. Leland Lesher, vice chairman.

Dr. Alvin Lugin, secretary. Phillip Hahn.

Sam Dahl. J. A. Schreiber.

J. C. Schiller, Milford. Erwin Bentzinger, Adams.

Pastor H. J. Goede, Omaha.

Various documents of the Lutheran Student foundation, the Lutheran Student association, and the division of student service of the National Lutheran council were sealed in the cornerstone box along with a copy of Sunday Lincoln Journal and Star.

The building is scheduled to be ready for occupancy in the fall of 1952.

School-Lease Sale Approval Is Restrained

A restraining order in Lancaster District court prevented the state board of educational lands and funds from approving the sale of a school land lease on a section of land in Morrill county.

District Judge Ralph P. Wilson issued the order after George F. Randall, jr., and Ora L. Randall filed a petition asking an injunction against the board. Named as co-defendants in the suit were Gov. Val Peterson, C. S. Beck, attorney general; and Henry Bartling, secretary of the board.

Also named were Paul Rhodes and Clarence Cook—to whom the land was sold.

In the petition the Randalls, who had leased the land for 20 years, claim that the east half of a section of land was sold to Clarence Cook at a Bridgeport sale Oct. 26. A lease for another part of the section, Randall says, was sold to Rhodes at the same time.

Randall claims that if the board had the right to lease the land it was to be as a complete section and not half or quarter or any portion of a section.

The leases of Rhodes and Cook have not yet been approved by the board. Judge Wilson's restraining order prevents the board from approving the leases until a hearing Nov. 10.

After the hearing the court will decide whether or not to issue an injunction.

At present a three-judge federal court in Omaha has under consideration an injunction suit filed against the board of educational lands and funds by William Propst of Grant, Neb. The court refused to grant a temporary injunction. Decision on an injunction is expected within a week or two.

Last July the state Supreme court held invalid all school land leases written after 1947 following the legislature's action that provided for 12-year leases and automatic renewals.

The court said the lands were a public trust and the board should make every effort to obtain the best possible revenue from them.

Jeppesen Wins Manslaughter Case Dismissal

A conviction of Delbert Jeppesen in Nuckolls county on a manslaughter charge in connection with a motor vehicle accident death was set aside by the state Supreme court on the grounds of insufficient evidence.

The court ordered the verdict set aside and directed the district court to dismiss the case.

Jeppesen had been sentenced to a year in the penitentiary in connection with the death of Mrs. Dilla Tordrup in a two car collision near Rusk in October, 1948. Mrs. Tordrup was a passenger in a car driven by her sister, Miss Lydia Lipker.

Jeppesen was acquitted when he was tried for the death of Miss Lipker.

Other Supreme court actions:

Douglas county—

Master Laboratories, Inc., against Gertrude Chomut and others, suit to enforce option to buy property at 2523 Leavenworth street, Omaha District court decree for plaintiffs reversed.

Marian V. Brvum against Mildred F. Thompson, suit for accounting of partnership assets; District court finding for defendant modified and affirmed.

Deade county—

Elnet, Inc., against Elnet Sales Co., Inc., suit involving use of trade name "Elnet" in manufacture and sale of a home permanent solution; District court directed to dismiss the action.

From Lincoln's Pulpits:

'Christians, Like Salt, Are Vital To The World'—Rev. Roker

"We, as Christians, are just as essential in our world as a preservative, as salt is needed to preserve food from corruption," Rev. D. R. Roker told his congregation Sunday.

Speaking on "The Zest of Life," at the Calvary Evangelical United Brethren church, the pastor warned that "we must not forget that society without the Christian influence is disintegrating and rotting away."

"The Christian must sweeten life, stop decay and save the world from falling to pieces of its own wickedness," he pointed out.

"As salt does its work by close contact," he explained, "so we need to contact people personally and by prayer."

"The church is in the world as the salt of the earth to preserve the flavor of our personal living," he added. "It renews our spirit by restoring us to the sources and simplicities of life."

Newman Methodist

Bishop E. W. Kelly of the St. Louis area of the central jurisdiction of the Methodist church spoke Sunday at Newman Methodist church on "The Ministry of Jesus."

"His ministry is of importance to us in that it does not differ from the possible ministry of the preacher today," he pointed out at the special afternoon service.

"He had no select type to preach to," the bishop said, "just ordinary people who were false in many approaches to life and to him."

"It is an awful thing to be lost," he said, "for one who is lost physically or otherwise thinks

that right is wrong and wrong is right."

"Therefore, the lost are apprehensive of any counsel or attempt to change their ideas," he pointed out. "Because of this Jesus was not always accepted by those who heard him."

"His unfeeling love of mankind, however, kept him constantly on the job, loving, freeing, forgiving and saving mankind," the bishop concluded.

Hope Reformed

"Conversion means a new purpose in living, an organization with God at the center instead of self," Rev. John Ettema told Hope reformed church members.

"It involves a conscious choice which includes mind, heart and will," the pastor emphasized.

"God is the author of conversion," he explained, "and he draws out the new life like the sun draws the new plant from a seed."

"It is wrong to have a false sense of passivity about conversion," he warned. "It must include the act of man to confess and repent."

"Conversion can happen only once in life," he said, "and includes the forsaking of sin and the turning toward God."

"In repentance," he concluded, "God becomes the chief end of life instead of the self."

Services For Irmer

Infant To Be Monday

Betty Lynne Irmer, infant daughter of Mr. and Mrs. L. A. Irmer, 1426 South Tenth Street, died Sunday.

Other survivors are two sisters, Donna Jean and Sharon Lee; grandparents, Mr. and Mrs. F. V. Clark, Lincoln and Mr. and Mrs. B. J. Irmer, York.

Graveside funeral services will be held Monday at 2 p.m. at Lincoln Memorial Park with Dr. Raymond McConnell, sr., officiating.

McMullen was pronounced dead on arrival at St. Elizabeth hospital. Efforts to revive him by artificial respiration before he reached the hospital failed.

Other stewards working with McMullen said he had worked for the Burlington since 1937.

Daniel McMullen Rites

To Be In Aurora, Ill.

The body of Daniel F. McMullen, a steward on the Burlington railroad who died Saturday after apparently suffering a heart attack while on duty, was sent to Aurora, Ill., for funeral and burial.

McMullen was pronounced dead on arrival at St. Elizabeth hospital. Efforts to revive him by artificial respiration before he reached the hospital failed.

Other stewards working with McMullen said he had worked for the Burlington since 1937.

Wesleyan Girl Closes Bright Voice Career

An Alliance, Neb., girl will conclude a brilliant singing career this week with the final curtain of Nebraska Wesleyan's presentation of "La Boheme."

Jackie Harrison, daughter of Mr. and Mrs. Albert L. Harrison of Alliance and a graduate of Gering high school, sings the lead feminine role of Mimì with Director Oscar Bennett's endorsement that "this will be her best performance yet."

Jackie had some contact with light opera while at Gering high school, singing leads in "Marianne" and "Belle of Bagdad."

As a Wesleyan freshman, Jackie gave way to a member of the teaching staff when the lead for "Faust" was cast. But during the ensuing year she convinced Director Bennett that she had the voice and the acting ability to carry the load alone, and the result was brilliant performances as Marie in "The Bartered Bride," and Azucena, in "Il Trovatore."

There is no hesitation from Mr. Bennett when he says that Jackie has the finest soprano voice he has ever drilled at Wesleyan.

Police Hold 2 Men For Investigation In Theft Of Checks

Police have in custody two men for investigation of the theft of some payroll checks from the Central Gas and Electric company, 144 South Twelfth, Lt. Paul Beave said Sunday night.

Three of the checks have been cashed for more than \$138 each, Lt. Beave said, and it is believed that a total of six might have been passed.

An undetermined amount of the checks were taken "probably Saturday or Sunday," but the exact time of the theft has not been determined, Beave said.

Rehearing Denied In Turpit Case

Rehearing in the case of Danny Turpit, 15-year-old Hastings youth, who was sentenced to 15 months in the state penitentiary in connection with the shotgun slaying of a playmate in May, 1950, was denied by the state Supreme court.

The court last month upheld the sentence imposed by the District court in Clay county, where the manslaughter charge was heard on a change of venue from Adams county where the shooting took place.

The slain boy was William Hewitt, a close friend of Turpit.

LINCOLN STAR—MONDAY MORNING, NOVEMBER 5, 1951

Maybe It's Weather—This Or That But Saturday Seems A Long Time Ago

IT SEEMS A LONG TIME since Saturday morning—too many K.U. footballs over the Nebraska goal, maybe—We think perhaps the weatherman has a severe case of fumble-itis, too—couldn't find that warm weather lever anywhere—

Well, on next Sunday World War II will cast its shadow on the nation—Sunday will be Armistice day, but we had that the Last Man's club will have its traditional dinner on Saturday evening at Hotel Cornhusker—Haven't checked with the members' wives as yet, however, but we're guessing that they will have something planned for that evening.

THE MENTION OF World War I reminds us of Europe, and just recently we called the roll on former University of Nebraska students who now are in Germany—Learned that John Golden, who was graduated from Nebraska a couple of years ago, has completed his scholarship at Zurich university, Zurich, Switzerland, and now is a civilian employee with the U.S. military in Heidelberg.

Then we heard that former STAR-staffer, Rex Gribble, went to Heidelberg after an extensive tour of Italy, and has settled down there with the army—in a civilian capacity.

REMEMBER "Knobby" Tiemann—class of '49, innocent, and Beta Sig? Maybe you already know that as Liept. Norbert Tiemann he is in the army, and now is stationed in Germany. His wife, incidentally, is the former Lorna Lou Barnholdt who was graduated a year ago from the University of Nebraska where she is a member of Chi Omega sorority.

And the Holcomb girls—Dorothy, Betty Jeanne—class of '48 and Mortar Board at the University—and Mrs. Richard M. Gitlin, the former Martha Holcomb, also Mortar Board at the University of Nebraska—all are in Heidelberg.

BUT BACK HOME and the activities about town—Hear that Mr. and Mrs. Jack Hyland are leaving this morning to drive Mrs. Hyland's mother, Mrs. Marion Shaw of David City, to the Shaw's new home in Corpus Christi, Tex. Mr. Shaw left during the week-end to plane to Corpus Christi and complete the moving process.

WE WANTED TO TELL you about the Shaws Saturday, and we also wanted to tell all the other news we had, but it couldn't be done—We'll catch up on some of it this morning.

There is the Fifty Fifty club, for instance—The members will have their November dinner dance on Tuesday evening at the Lincoln hotel, and we hear that all of the appointments and the program details of the party will feature a mock military ball—

In charge of the arrangements is a committee headed by Mr. and Mrs. W. W. Putney, and composed of Mr. and Mrs. Daniel Stubbs, Mr. and Mrs. John Peterson of Ashland, Mr. and Mrs. Guy Harris, Mr. and Mrs. Leslie Seacrest, and Mr. and Mrs. S. J. Fieselman.

ANOTHER OF OUR "catch-ups" is news of the return to Lincoln of Mrs. H. E. Harvey and her sister, Mrs. Ora Wilson. Mrs. Harvey and Mrs. Wilson had been in Denver where they attended a reunion of six

sisters at the home of one of the sisters, Mrs. Gilbert Golding. Completing the sixsome were Mrs. Millie Dahlberg and Mrs. Frank Walker, both of Richmond, Calif., and Mrs. Charles Bell of Los Angeles.

ANOTHER BIT OF NEWS earmarked for last Saturday had to do with a communique from the Sidney Stork club—the arrival of Beta Theta Pi pledge of 1968, Steven Frank Mattoon on Thursday, November 1. Young Steve is the son of Mr. and Mrs. Frank J. Mattoon of Sidney, and his mother is the former Treva Mutchmore, daughter of Mrs. Treva Mutchmore of Lincoln, formerly of Beatrice—and Gamma Phi Beta at Nebraska. The baby's paternal grandparents are Mr. and Mrs. Harold Mattoon of Lincoln.

Mrs. Mattoon, we hear, plans

to visit her grandson in the near future.

TWO MORE ITEMS from Saturday's overset, and then we'll get on to current matters—

In town from Birmingham, Ala., the past week were Mr. and Mrs. Steve Wimberly, their son, Lowry Charles, II, who were the guests of Mr. Wimberly's parents, Dr. and Mrs. L. C. Wimberly. Last Tuesday the family spent the day in Humboldt with Dr. Wimberly's brother and sister-in-law, the Rev. and Mrs. W. A. Wimberly.

OUR SECOND left-from-Saturday news has to do with the arrival of Donald G. McGregor and his daughter, Mary Margaret, who arrived on Friday morning from Grants Pass, Ore., for a visit with Mr. McGregor's mother, Mrs. C. H. McGregor, and his sister, Miss Margaret McGregor.

Guests From Missouri

Young Miss Leslie Lynn Leik politely stifled her yawns to pose for us—it was nap-time when our photographer arrived. Leslie and her parents, Mr. and Mrs. F. H. Leik of St. Louis, Mo., were homecoming week-end guests of Mr. Leik's parents, Mr. and Mrs. J. J. Leik.

Mrs. Leik will be remembered as the former Donna Lou Peterson of Fremont, an Alpha Phi at the University of Nebraska, Mr. Leik, also a graduate of the University, where he is a member of Alpha Tau Omega, is now with the civil aeronautics association in St. Louis.

Autumn Show

There were those who hoped very much that the first autumn show to be sponsored by the Nebraska Art association would be such a success that it would become a permanent feature on the association's agenda. But it seems, according to various members of the association's board, that those who scoffed at the spring show most vigorously, somehow haven't put in an appearance at the current exhibit—But there still is some time left—four days, to be specific.

Nebraska Art Association members will recall with pleasure water colors "Funeral in Paris, Cape Cod No. 2, and Fallen Tree in the permanent

collections of the University galleries. One of the most distinguished of present day water colorists, Grosz is represented in the Nebraska Art association's autumn show entitled New York. Grosz was born in Berlin in 1893 and studied in Berlin, Dresden and Paris. In 1913 he was influenced by the Futurist movement in Italy and after World War I he participated in the Dada group. Some of his work of this period ranks among the most powerful satire of modern times.

Hostesses who will be on hand at the galleries for the remainder of the show will include:

Monday—Mrs. H. M. Ohlund, morning; afternoon, Mrs. W. H. Browne.
Tuesday—Mrs. J. L. Caplan, morning; afternoon, Mrs. Joe W. Boyer.
Wednesday—Mrs. Milton C. Wieland, morning; afternoon, Mrs. S. J. Bell.
Thursday—Mrs. Fred W. Whipple, morning.

Miss Elizabeth Ann TouVelle Is Bride Of Merle E. Kontny

MRS. MERLE EUGENE KONTNY

With only the members of the immediate families and a small group of close friends attending the ceremony, the marriage of Miss Elizabeth Ann TouVelle, daughter of Mrs. Guy T. TouVelle, and the late Mr. J. TouVelle, to Merle Eugene Kontny, son of Mr. and Mrs. Edward J. Kontny of Julesburg, Colo., took place at a 10 o'clock ceremony on Saturday morning, November 3, at St. Mary's cathedral.

Chrysanthemums and pom poms, in shades of lavender and white, appointed the altar and were arranged in the chancel to form a background for the service which was solemnized by the Rt. Rev. C. J. Riordan. The wedding music was played by Miss Catherine Gillespie, organist.

As her cousin's maid of honor and only attendant, Miss Ann Hardie appeared in a frock of silver gray, frothed with net in matching tone. Wide satin ribbon, in shades of silver, pale turquoise and delicate pink, sashed the narrow waist, and was repeated at the shoulders from where it extended to the waistline where it was caught in a wide bow. She carried a bouquet of pale pink sweetheart roses, and a bandeau of the blossoms was worn in her hair.

Lloyd Kontny served his brother as best man. White satin and clouds of sheer nylon net were chosen by the bride for her wedding gown. The décolletage of the molded satin bodice was covered with a long-sleeved lace

jacket which buttoned snugly from the wings of lace that formed a collar, to the waist which was widely belted with satin. Layers of sheer, misty net fashioned the floor-length skirt. Her double-tiered veil of illusion, fingertip-length, was held to the head with a Juliet cap of satin, and she carried a white prayerbook which had been carried by generations of brides in her family and which, for the Saturday morning ceremony, was ornamented with white orchids.

Following the ceremony a wedding breakfast for the members of the bridal party and the families was served at Hotel Cornhusker where the table was arranged with a long, low centerpiece of chrysanthemums in white, and the lavender tones. Lavender and white also was introduced in the appointments for a smaller table where the tiered wedding cake was served.

Mr. Kontny and his bride left for an eastern honeymoon trip after which they will go to Oklahoma City to reside. For traveling Mrs. Kontny wore a black and white checked bolero suit, with a winter white topper and black accessories.

Mrs. Kontny was graduated from the University of Nebraska last June, and is a member of Alpha Omicron Pi sorority. Mr. Kontny is a former student at the University of Nebraska, and of Regis college, Denver. He was graduated from Denver university.

We Hear That —

Mr. and Mrs. George A. Jones of Salina, Kans., were the week end guests of Mr. and Mrs. Frank McDermott.

Returning home Thursday evening were Mr. and Mrs. Samuel Zolot who have spent the past three weeks at Chicago, New York and Barto, Pa., where they were the guests of Mr. Zolot's brother-in-law and sister, Mr. and Mrs. Charles Gebhardt.

Personality Class Planned At Riley

Mrs. Robert Morey, of the family life and adult education department of the Lincoln public schools, will conduct a six-week series of classes on "You and Your Personality," beginning Tuesday, Nov. 6.

The classes, which will meet every Tuesday, through Dec. 11,

will be held in the lunch room of Riley school between the hours of 1:15 and 3:15 o'clock, and everyone interested is invited to attend the series.

The classes are planned to give the opportunity for personal betterment and learning more about successful home and family life.

Parties Planned For Brides-Elect

Our little red book is filled with all sorts of parties for brides-to-be whose ceremonies will be solemnized in the very late autumn and early winter—There are so many prenuptial courtesies for Miss Mary Jo Latsch, who is to marry Richard Miles on Friday, November 16—and for Miss Doris Schimmel who has chosen Wednesday, December 12, for her marriage to Irwin Chesen, that today we shall include only those in the first few days of this week—

On Sunday evening, Miss Schimmel and Mr. Chesen shared honors at a buffet supper when Mrs. Albert Speier and her son-in-law and daughter, Mr. and Mrs. Joseph Silverman, entertained at the home of Mrs. Speier. The guest list of fifteen included members of the families.

ALSO ON SUNDAY evening was the supper for which Mr. and Mrs. Sidney Anderson and

AFL Merger Proposal Is Rejected By Phil Murray

NEW YORK—(AP)—CIO President Philip Murray gave his answer to AFL urgings to merge—no, thanks, on AFL terms.

Murray's answer was given in his report to the CIO's 13th convention which begins here Monday.

He said he did not believe the CIO leadership and rank-and-file members "want organic unity on the only terms which the leaders of the AFL are apparently ready to offer—an organic unit in which the glorious record of industrial unionism will be subject to over-riding by the craft union philosophy which still dominates the AFL."

It was that conflict between the craft union leaders and those who wanted to organize mass production industries in the AFL which led to the big split in 1935-1936, and creation of the CIO (Congress of Industrial Organizations).

Deplores ULPC Smashup
Murray deplored the smashup of the united labor policy committee (ULPC), which was abandoned by the AFL leaders in September after nine months of co-operation with the CIO and railroad independent unions.

The AFL convention a month later approved the action but said that organic merger, rather than working together as separate organizations, was called for. The AFL offered to resume talks for that purpose.

But Murray, detailing his views on the subject for the first time, said the AFL leaders "are directly responsible for the destruction of the most hopeful display of labor unity this nation has ever seen."

On broader national issues, Murray said, "America deserves

a better congress than it has had this year; 1952 is the time to improve it." He added:

Stern Election Test
"In the presidential, congressional, state and local elections of 1952, our political action machinery will be put to a stern test. The forces of reaction, not satisfied with sabotaging the administration's progressive legislative program, are hellbent to achieve complete control of every branch of this government. . . . The report disclosed that there are now 31 national unions and four organizing committees affiliated with the CIO, which has more than 5,000,000 members and a cash balance of \$1,750,000.

This is an easy contest ... and everyone has an equal chance to win! All you have to do is fill in the Missing Ingredients in the "Dinner-of-the-Week" ... and then tell in 25 words or less why you like the General Electric Airliner Range. Five

of the G-E Airliner features are listed above ... your G-E dealer will be happy to explain the many other advantages. The menu for this Dinner-of-the-Week is from the famous General Electric Consumers Institute, Bridgeport, Conn.

French Onion Soup

Jiffy Fried Potatoes

Fresh Fruit Cup

Tossed Salad

Pennywise Porterhouse

Broiled Tomatoes

Butterscotch Slices

FRENCH ONION SOUP

- 1/4 cup butter or margarine
- 3 cups thinly sliced onions
- 1/2 teaspoon salt
- Speck of pepper

- 6 cups warm water
- 1/2 teaspoon bottled brown seasoning sauce
- Missing Ingredient

Melt butter in pressure cooker on H-1. Add onions and saute until golden brown. Sprinkle with salt and pepper. Add water, seasoning sauce and "the missing ingredient." Put pressure cooker lid on. When steam escapes freely, close pressure control. When steam escapes again, switch to LO; cook 5 minutes. Place pressure cooker in cool water for a few minutes, then open pressure control and remove pressure cooker lid. Makes 6 servings.

PENNYWISE PORTERHOUSE

- Missing Ingredient
- 1 1/2 cups milk
- 1 1/2 lbs. chuck beef, ground

- 1 1/2 teaspoon salt
- 1/2 teaspoon pepper
- 1 tablespoon grated or minced onion

Mix "the missing ingredient" and milk in bowl. Add beef, salt, pepper and onion; mix lightly. Turn mixture out of bowl onto piece of waxed paper. Shape meat in form of 1-inch Porterhouse steak, pressing firmly together. Invert wax paper with steak onto broiler rack in broiler pan. Place broiler pan under broiler unit so top of steak is 4 inches from broiler unit. Broil 10-12 minutes (for well-doneness). Turn steak, using two pliable, wide spatulas. Broil second side 7-8 minutes. Makes 6 servings.

BUTTERSCOTCH SLICES

- 3/4 cup shortening
- 1 teaspoon vanilla extract
- 1 cup brown sugar, firmly packed
- 1 egg
- 1/2 cup nuts, very finely chopped

- 2 cups sifted all purpose flour
- 1/2 teaspoon baking soda
- Missing Ingredient
- 1/2 teaspoon salt

Place shortening, vanilla extract, brown sugar and egg in mixing bowl. Beat thoroughly. Add nuts and mix. Sift together flour, baking soda, "the missing ingredient" and salt. Divide into 2 portions. Add 1/2 to first mixture, mix well. Add remaining half; beat thoroughly. Knead dough with hands until smooth. Pack very firmly and shape into 2 bars, 2 1/2 inches square. Wrap in waxed paper; chill in refrigerator until firm. Cut in 1/4 inch slices; place on greased baking sheet. Bake in oven 400 degrees F. for 6-8 minutes. Makes 60 cookies.

The Missing Ingredients for this Contest are among those listed below:

- 1/2 cup orange juice

BY NORRIS ANDERSON
(Sports Editor, The Star)

IT'S the same old story today as at the University of Nebraska Cornhuskers look ahead to another week of practice.

Coach Bill Glassford and his winless squad are still seeking that first victory.

The Huskers' next try, the Saturday business at Iowa State, will possibly be their best chance for a win.

After that, the Scarlets face Colorado, Oklahoma and Miami. They will be decided underdogs in each of those games.

SHOW IMPROVEMENT
In losing 27-7 to Kansas Saturday, the Huskers did show one mark of improvement.

The defensive line arose to the occasion and played its best game of the season.

Otherwise, the Husker showing was not too encouraging. The blocking, per usual, was not top drawer and the aerial defense leaked badly at times.

Strikes By Stras

By DON STRASHEIM

CORNHUSKER football fans can be very proud of the showing made by the Scarle and Cream Saturday against the Kansas Jayhawks.

Even though Nebraska lost a 27-7 decision it was the best game they have played this year. The Jayhawks completed two fourth down desperation passes in the second period to turn the Huskers away from the victory door for at least one more week.

Perhaps the brightest spot in the Husker showing was the defensive line play.

For the first time since the platoon system appeared on the Nebraska gridiron the defensive platoon bottled up the enemy at every angle. The line play of the defensive squad was the best in many seasons.

NOT only did one man shine but the entire team broke through to hit the ball carriers. It was the best exhibition of gang tackling and pursuit the Huskers have put on since the 1947 season.

Only honest mistakes made by eager youngsters with little experience or knowledge of what may happen in the secondary marred the 60-minute performance.

Eager to stop the ball carrier on the end sweeps the Husker halfbacks left their passing responsibilities too soon and the running Jayhawk halfback flipped and completed two touchdown passes.

You can bet the backs will not be in a hurry to make a tackle behind the line of scrimmage from now on.

OFFENSIVELY the Husker marching again sputtered. The only bright spot in the Nebraska running game was the driving of fullback Ray Novak.

Novak carried the oall 17 times for 99 yards on off-tackle slants to lead the rushing attack. The Jayhawks had All-American Bobby Reynolds well bottled, as they did last year at Lawrence when Nick Adduci was the backfield star in the Huskers' 33-26 triumph.

Novak suffered a broken nose in the last period but will be back in action against Iowa State.

Even though Ray led the ground game he had difficulty holding the ball. Along with the Husker fumbles and a good pass defense by the winners the Husker offense was stymied.

The offensive line blocking was good at times but seemed to disintegrate as the game progressed.

Contrary to public opinion the offensive line has done a good job of blocking this fall.

ONE other factor must be considered when discussing the Kansas game. The Jayhawks have a very good club. In the opening game of the season they beat Texas Christian and have been playing good ball each week with steady improvement.

Nebraska gave Kansas a very good go for their money and played their hearts out but the honest mistakes that an eager, winless ball team makes were their downfall.

The showing made by the Scarle and Cream was only a preview of things to come. The Huskers have not lost their fight and are going to win a ball game this year.

As the offensive backs learn to follow the blocking of their interference and the running attack begins to function smoothly the Nebraska football team will finish with a poor record but one of the best teams in the Big Seven.

SAN FRANCISCO (AP)—(INS)—Ollie Matson, great fullback of the University of San Francisco, peeled off runs of 65, 54 and 47 yards Sunday and scored three touchdowns to lead the Dons in a 26-7 victory over the Santa Clara Broncos.

The undefeated Dons still have two games on their 1951 schedule, both away from home—at Los Angeles against Loyola, the other at Stockton against College of Pacific.

Going into the game, the Dons' All-American candidate had a

Coach Bill Pfeiff Encounters Old Jinx Friday Night As Islanders Visit Oval

By WAYNE PANTER
(Star Sports Staff Member)

LIncoln High Coach Bill Pfeiff will come face to face with an old jinx Friday night as Coach Jerry Lee's Grand Island gridders invade the Oval for the windup game of the 1951 season for both clubs.

The Islanders, for the past several years the final foe on the Link state, now are the only bar to an unprecedented — during Pfeiff's tenure as coach—undefeated and untied season for the Red and Black.

Twice that goal has been within the chunky little mentor's grasp. And twice the Islanders have cut down his Links short of that goal.

In 1946, his first year as coach at his alma mater, Pfeiff's club fell before the Third City team, 6-0. In 1947, Grand Island, en route to the state championship with now-famed Bobby Reynolds in its driving force, whipped the Links, 25-14.

Then began the era of the lean years.

In 1948, the Links carried a 6-1

record into the traditional fray but fell, 53-7, before a seething Third City attack again paced by Reynolds and Teammate Bob Hann.

The following year the Red and Black wound up with a 4-4 record as the Islanders capped a 20-12 verdict.

But last year the clouds began to roll away. The Pfeiffmen gained a tie for third and fourth place with the Islanders in the consensus state championship ratings as they twice came from behind to tie the Third Citizens, 14-14, and wind up their season with a

Plainsmen Seek Keep Intact Win Record Against Midland

NEBRASKA Wesleyan university will travel to Fremont Saturday to seek an eighth consecutive victory over the Midland college Warriors.

Not since 1941, when the famed Little Giants clipped a Methodist team, 40-6, have the Midland been able to defeat a Wesleyan aggregation.

But Midland fans, who have watched Coach Leonard "Soup" Campbell generate a successful building program during the past two years, argue that this may be the year for the young Warriors.

Germany Abolishes Fight Point System

HAMBURG (AP)—The Federation of German Professional Boxers has decided to abolish the German boxing point system in favor of the International system of the European boxing union (EBU) effective January 1, 1952.

The report came after a series of protests and strong press criticism against the German rules. Latest in a series of protested decisions was the Johnny Williams-Heiz Neuhaus heavyweight bout last Oct. 14 which ended in a draw.

Under the present system a boxer in Germany has to have an advantage of six points to win a twelve-round bout. From January 1952, on, a one-point advantage will be sufficient to win a twelve rounder.

Under the German rule, a boxer who won a round got 20 points and his opponent 19 or less. The EBU system gives the winner of a round five points and 4 1/4 or less to the loser.

Bulldogs' Performance Against Links Gains Nod Over Vikings

BY DON STRASHEIM
(Star Sports Staff Member)

NOW that Lincoln High has conquered the Alliance Bulldogs by a 40-13 count there is little doubt as to the mythical 1951 Nebraska high school football champion.

Coach Bill Pfeiff's Links have only their traditional game with Grand Island left on their tough schedule to go through the current campaign without a loss.

The Islanders have been unimpressive during the season and should present no problem for the red-hot Links.

Alliance gave Lincoln High one of the toughest battles the Pfeiffmen have fought this year. Coach Al Zikmund's Bulldogs were very well drilled and would have played the state champions on more nearly even terms had it not been for three costly fumbles.

Alliance fumbled three times deep in their own territory and the Links took advantage of the miscues and scored on each occasion.

After the game Coach Pfeiff said: "This Alliance team was one of the best we have faced all season. What they lack in weight they make up in speed and execution."

On the strength of their fine showing against Lincoln, the Bulldogs move into the second slot in the weekly ratings ahead of the Omaha North Vikings.

When North played in Lincoln they were unimpressive and lacked the spark and determination displayed by the western club.

However, the Vikings are closely pressing on the heels of the Bulldogs. Last week they licked Omaha Central, 33-14, with ease. The Eagles have shown signs of greatness but often fall into a lapse

of some kind to drop to the seventh rung of the rating ladder. With a 25-7 decision over Grand Island the Fremont Tigers move from sixth to fourth in the selections. Coach Bob Faris and the Tigers have been contenders all season but a weak schedule has been their downfall.

In the fifth spot are Coach Roscoe Tolly's North Platte Bulldogs. The Platters lost by one touchdown to Alliance and have won all other games this year.

Last week the Curtis Aggies were bitten by the Bulldogs, 32-0. Omaha South and Omaha Central. Following the western club is Omaha South and Omaha Central.

The South High Packers were given a 13-7 setback by Sioux City East Friday night. The Packers as well as the Central Eagles are an up and down team. Neither team can sustain a winning streak.

Beatrice has improved rapidly under the tutelage of Coach Freddy Lorenz and makes its appearance in the top ten for the first time at ninth. The Orangemen had difficulty getting started early in the season but have been impressive in recent games including their 27-12 victory over Hastings last week.

BEARCATS NINTH
Scottsbluff heads the eighth position even though their game with Cheyenne, Wyoming, was postponed from Friday until today.

Lincoln Northeast and Omaha Holy Name are tied for the last spot in the ratings. Holy Name is a Class B club with a 38 game winning streak including an early season 18-0 win over Northeast.

However, since the early season game with the Rockets the Class A football play has improved con-

The curtain falls this week on the 1951 football campaign for four teams in the Nebraska College conference.

Kearney ends its season's play in what is considered the featured game of the week, with Doane. Still in the running for the conference title, Doane will play host to the Antelopes in a homecoming fray.

Second division Chadron winds up its schedule against a tough Wayne eleven. The Wildcats will be out to avenge a 6-3 loss at the hands of Chadron last year that stopped them from a NCC title.

Two other second division clubs will clash Saturday night at Fremont, as Midland closes the season with Wesleyan.

Hastings rounds out its schedule this week when they clash with York on the Broncos' home turf.

In non-conference play, Peru will take on the Eastern New Mexico Greyhounds at Auburn Saturday afternoon.

The University of Nebraska 'B' team will split its forces to take on a pair of foes this week. One segment of the squad will travel to Ames to meet the Iowa State 'B' club on Friday. The remainder will meet Concordia's Church league champions at Seward Saturday.

In the singles handicap section Louise Bennett of Omaha showed the way with a 625 series. Following Miss Bennett are two Lincolnes, Meade Moulder (597) and Marie Maul (581).

A Lincoln duo made up of Liz Cowler and Marge Waddle rolled 1,087, only one pin short of the top score posted by Mae Thoenald and Marge Moore of Omaha.

Foxies Fillies of Hastings led the team event with 2,668.

Lincoln Northeast and Omaha Holy Name are tied for the last spot in the ratings. Holy Name is a Class B club with a 38 game winning streak including an early season 18-0 win over Northeast.

However, since the early season game with the Rockets the Class A football play has improved con-

siderably and the Ramblers are somewhat lucky to gain a tie for tenth. They breezed past Thomas Jefferson last week, 26-7.

ROCKETS STEADY

Coach Bun Galloway's Rockets are inexperienced but have played steady ball this year to stick in the weekly selections. Last week the Capital City club took advantage of two Omaha Benson lapses to gain a 14-6 nod over the Bunnies.

Also making a strong bid for recognition is Creighton Prep. The Prep team had trouble holding the score down as they dumped their intra-city rival, Omaha Cathedral, 47-2.

Coach Art Ronhovde's McCook Bison tromped out a 25-6 win over Kearney after losing two weeks ago to Boys Town.

The Boys Town Cowboys traveled to St. Joseph, Missouri, and brought back a 44-32 verdict from Christian Brothers.

Columbus rambled past Fairbury 44-13 and Lexington blasted Cozad 37-0.

GERING TUMBLES

Other top games in the state found Sidney going past a strong Gering eleven 34-6. Coach Art Bauer has lost only one game while at Sidney, an early season loss to Curtis, and are one of the hardest hitting clubs in the Class B circles.

Cojhenburg smothered Ord, 46-13, and Minden blew past Holdrege 46-6. Wayne kept their winning streak intact with a 37-13 decision over Lyons.

Surprise of the week was Kimball's 13-13 tie with Bridgeport. Oakland smothered Scribner, 59-0, while Cambridge blasted St. Cecilia of Hastings 28-7. Rushville gave Crawford a 60-0 pasting to complicate the Class C race.

Oakland has been out in front all year but Cambridge and Rushville are making definite bids for the top spot.

'Heavily Armoured' Gridders 'No Match' For Rugby Team

... Declares Disillusioned English Sportscribe

(Desmond Hackett of The London Daily Express, in this country to write the Rugby and football columns at Pinhurst, N. C., saw his first American football game Saturday at Chapel Hill, N. C., where the Carolina Tar Heels defeated the Carolina Panthers, 27-0. Here are his impressions as written for the Associated Press.)

By DESMOND HACKETT
CHAPEL HILL, N. C.—(AP)—"They tried to tell me that this was a tough game, a piece of legalized mayhem that made bull-fighting look sissy. No sir. Any professional rugby club in England could eliminate the heavily armoured characters who ambled in and out of this game."

The England men do not need the insurance policy of crash helmets and more padding than a horse hair couch. They wear extremely brief shorts and cotton shirts and in this rig I feel sure they could beat the long pants of these American huskies. That is merely my opinion and an opinion which I freely express because I shall be able to duck out of town.

GULP AT SUBS
Back in England the men of rugby football play forty minutes each way with one ten minute interval. They would gulp at the idea of bringing in substitutes or that amazing all-change system when a team breaks off the defense shore and moves to attack.

There is also considerable attention paid to the ball, which over here seems to be an incidental.

We love your beautiful North

Carolina girls who so sweetly led the organized cheering. We feel sure they mean well but most of their best efforts appeared to inspire brisker action from the opposition members.

The England crowd do not need any of this artificial stimulant. They up and roar their heads off when they feel so inclined. And this goes for the carriage trade in the grand stands. A polite hand clap was the nearest thing to a burst of enthusiasm that the upper set could muster.

RESPECT REFS.
There seemed to be considerable respect for the extensive panel of referees and the supporting cast of the chain gang who appeared to be taking a constant survey in the middle of the affair. The English crowd stand up for their right to question the verdict of the referee. They are not slow to state their willingness to buy him glasses on account of his short sightedness, or to suggest that he could not move around so well because of the money tucked into his boots by the rival managers.

But this American way of football is gay and colorful and I suppose a great gain if you can guess what is going on. It is way ahead of England in its setting. This dignified arena in the glade of deep green pines is among the finest sporting prints I have ever seen. So thanks for a wonderful memory.
